As part of ongoing Maths homework, Year 3 must work on the following challenges. Please practise as regularly as possible at a pace suitable to your child. There are several websites which are an excellent resource to practise Maths including Hit the Button, TopMarks and Times Table Rockstars. Children are regularly assessed in class and will also spend time in school practising these challenges.

White Challenge	Red Challenge	Orange Challenge
Number pairs to 10, 20 and 100: addition and subtraction. Example: 17 +3 = 20 1 + 9 = 10 10 + 90 = 100 17 + 3 = 20	Rapid recall of the **4x table** and related division facts. This follows the 2x table as it can be worked out by doubling the 2x table answers. Example 7 x 4 = 28 7 x 2 = 14 Double 14 = 28	Rapid recall of the **3x table** and related division facts. Example: 2 x 3 = 6 3 x 2 = 6 6 ÷ 3 = 2 6 ÷ 2 = 3
